

# 1 TO 1 SOLUTIONS

Providence Capital is recognized as an expert in 1 to 1 leasing. The goal of a 1 to 1 initiative is to place a computer into the hands of each student through a cost-effective and flexible structure. We often speak at industry conferences on this topic and would be happy to provide a presentation copy.

## WHAT PROVIDENCE PROVIDES

- Lower cost of ownership than purchasing
- Flexibility to extend the lease or retire and upgrade devices at the end of the lease
- Parent/student purchase options at end
- Terms available to facilitate roll outs for entire schools or staged by grade
- Accidental damage protection & warranties available
- Structures to help your budget
- Turnkey solutions to decommission devices at the end
- Option to select your preferred equipment supplier

## HOW DO I GET STARTED?

- During an introductory call, we learn about your needs and share strategies that have worked for others.
- We provide you with budgetary planning structures.
- Together, we review the structures to determine the best solutions.
