

# REMARKETING

Providence Capital Remarketing offers simple, cost-effective solutions that allow schools to manage surplus technology with ease. Using the highest environmental standards, we help you recycle obsolete equipment and recapture revenue from idle technology. We have a long history of supporting schools through programs that lower your total cost of ownership.

## PROVIDENCE CAPITAL PROVIDES

- Top dollar for your unused assets
- Logistical planning including packing materials
- Convenient equipment pickup
- Highest standards for data security
- Certifications of data erasure
- Thorough audit report by serial number
- Distribution to domestic and international buyers
- Online retail channels
- Customized web store for community sale programs
- Timely payment to the school

## HOW IT WORKS

- Send a detailed list of idle assets for a complimentary valuation, or
- Have us pick up & remarket through our revenue sharing maximization program

## START TODAY

- Call us at [800 680 0560](tel:8006800560) to review your needs
- Email us at [Info@ProvidenceCapital.com](mailto:Info@ProvidenceCapital.com)

Microsoft	Motion	Gateway	Fujitsu

## TESTIMONIALS & REFERENCES

*“Our outdated equipment was purchased, inventoried, and removed with a simple process.”*

– Tom Zelek, Elmwood Park 401

*“We appreciate that you are accessible, responsive, and take time to explain proposals. Providence Capital introduced us to a remarketing program that generated revenue previously forfeited by the district.”*

– David Smith, Elmhurst CUSD205
